

Flex by ISPT at George Place

GEORGE
PLACE

flexbyispt.com.au

A hub of diverse workspaces in the heart of Sydney's CBD, Flex by ISPT George Place has meeting and event spaces for 8-200 guests, the relaxing, versatile Hive Lounge, and teamworking suites for teams of 16-86.

Meetings & Events

Catering to everything from small, intimate groups to conferences, town hall meetings, panel discussions, small trade shows and more, you can finish your meeting, throw open the walls and spill out into the Hive Lounge or breakout spaces to debrief, relax and connect.

With a network of trusted suppliers and in-depth local knowledge, our dedicated team is on hand to support you from the first tour to the final round of applause. Bring in your own team, or work with us to build the perfect wrap-around support to bring every detail to life.

Collab Cube

Create. Connect. Collaborate.

A glass box that floats above George Street and the George Place lobby, Collab Cube will get your team in the right headspace to think big and work together. Every detail encourages collaboration, from modular furniture to a 166" smart projection screen and simultaneous sharing capabilities.

Hive Lounge

With floor-to-ceiling windows overlooking George Street and Martin Place, Hive Lounge is a relaxing and adaptable breakout or event space.

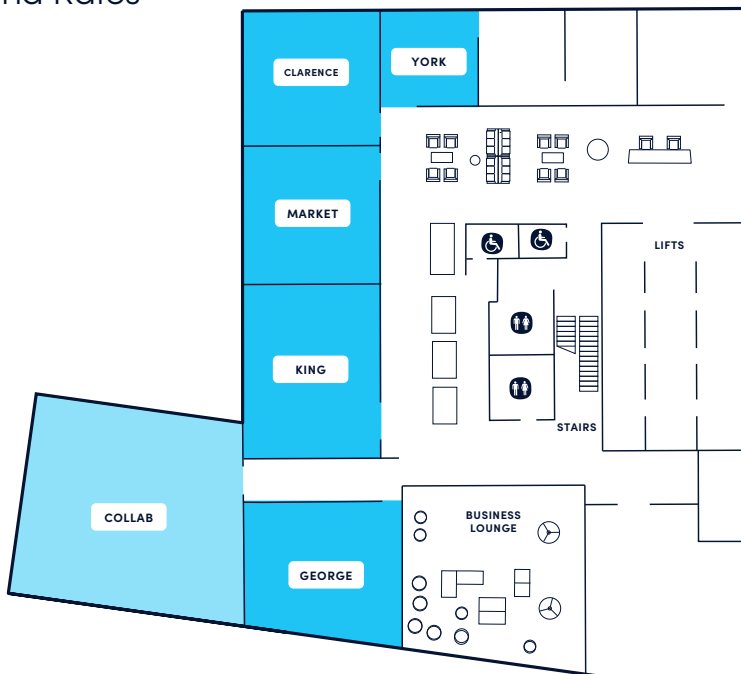

The lounge can be combined with the George Room via an operable wall, or reconfigured and reimagined for cocktail events, networking functions, and more.
