Welcome to Collider

A seamless blend of heritage and cutting-edge technology, Collider is perfect for collaborating, connecting, and celebrating like never before.

At home in ISPT's transformed 477 on Pitt Street, Collider is centrally located in the heart of Sydney's Tech Central.

Originally the Australian Gaslight Co. showroom, Collider's domed ceiling, classic columns, and intricate finishes have been carefully restored. A 217" curved LED screen and modern finishes juxtapose the heritage detail, creating a truly unique setting.

flexbyispt.com.au

Collider is flooded with natural light during the day, and the lighting options for evening events are near-endless. Moveable ceiling-height curtains, a spacious bar area and in-built tiered seating provide a flexible framework to help your event flow effortlessly.

Part of the ISPT property portfolio, Collider embraces a strong commitment to ESG, proudly partnering with sustainable suppliers to reduce the environmental impact of events.

Modes Summary

01 Presentation

For town hall meetings, presentations and more, focus on the speaker and their content on the 217” screen.

Capacity: 200

02 Networking & Cocktail

Move around the room and network with standing room, bar tables and comfortable seating.

Capacity: 300

03 Roundtable

Encourage interaction and discussion with a mix of seating options and multiple screens.

Capacity: 175

04 Banquet

Connect over a shared meal, and then use the expansive space to network and celebrate.

Capacity: 80

01 Presentation

Command the room with our impactful 217" screen and space for your whole team.

For town hall meetings, presentations and more, this set up helps you to land your message with space for 150 seats, plus tiered seating at the back of the room. The 217" LED screen delivers your content with impact, and there's plenty of space to network, discuss and enjoy coffee, drinks and food afterwards.

Capacity: 200

02 Networking & Cocktail

Create a lively environment for guests to connect, share and get inspired.

The networking and cocktail set up opens up the impressive space and encourages guests to move around and enjoy the company. The spacious bar area and in-built tiered seating provide a flexible framework to ensure the flow of your event is seamless and engaging.

Capacity: 300

03 Roundtable

This set up is well suited to events encouraging interaction, discussion and collaboration.

Pull up a comfortable chair, settle in with a drink or coffee and join the discussion. This set up easily accommodates different configurations, and event styles. Make use of the curtains, modular furniture and multiple screens to create an engaging space to share ideas.

Capacity: 175

04 Banquet

Impress your guests with a celebration to remember.

Weddings, lunch and learn events, breakfast panels and more, bring people together over a shared meal under the dome. The ceiling-height curtains create near-endless options for a cozy or expansive feeling, and offer a softness that complements the sleek interiors.

With plenty of space around the central area, guests can dance, network, and connect before and after a sit-down meal.

Capacity: 80

FAQ

We know every event is different, and we're looking forward to discussing your next big idea.

How big is the room?

Collider is 534m²

What furniture is included?

200 navy blue conference chairs and modular, blue lounge furniture is included.

Is there on-site AV support?

Our team is well-equipped to support setting up presentations and microphones.

For additional support, we can connect you to our preferred suppliers or you're welcome to bring in your own.

Is there a kitchen?

There's a small kitchen adjacent to Collider suitable for light prep work. If you need a full kitchen, there is one available to hire for a small fee.

Is there on-site parking?

There is very limited on-site parking available, and Collider is easily accessible by public transport or ride share services.

Can I use my own suppliers?

While our suppliers know the space well, you are welcome to bring in your own team.

What are your rates?

Contact us to discuss your event, and we will create a package specific to your needs.
